

### **8742 Integrity® Three Gallon Automatic Tea Brewer**

### **8748 Integrity Five Gallon Automatic Tea Brewer**

Integrity. It's more than just a name. It's a philosophy. It's a belief that building the world's finest tea brewers means using the best designs and the best parts. Each model features our exclusive Ready-To-Brew light and our patented water delivery system. Two foolproof ways to perfect tea, each and every time. The Bloomfield Integrity series, honestly the best.

#### **Features**

- A high level of **commonality of parts** with other Bloomfield models will significantly reduce the inventory of spare parts required to service.
- Exclusive design provides **easy access to components** for quick efficient service.
- **Ready-To-Brew light** indicates the proper water temperature to help eliminate the guesswork in brewing.
- **Premium quality thermostat** has a full-length stainless steel sensing bulb that recognizes water temperature accurately and cycles less frequently.
- **Superior sprayhead design** spreads water over the tea grounds, creating agitation and a floating action that completely saturates the tea to capture the full, rich essence.
- **Unique water valve** with built-in flow control assures consistent operation at 20-80 p.s.i.
- One-piece drawn **stainless steel water tank** has a superior design for extended life.
- **Rugged base** assures stability and strength and provides easy placement of tea dispenser.
- **The external bypass system** blends the diverted cold water immediately with the tea concentrate from the brew chamber.

- High quality easy to clean **stainless steel construction**.
- Easy to clean **stainless steel brew chamber** has precise flow orifice to provide proper steep time for optimal tea brewing.
- **Wire grid** in stainless steel brew chamber suspends tea above orifice to prevent clogging.
- Convenient tank heater **on/off switch** provides energy savings options.
- The 8742 has a **3 gallon** capacity with the ability for loose leaf or pillow pack brewing.
- The 8748 has a **5 gallon** capacity with the ability for loose leaf or pillow pack brewing.
