# DIGITAL PLATFORM SCALE

## DPS Series

### Splash-Proof Easy to Read

#### Application

The Yamato DPS Series is a tough and versatile line of scales. The splash-proof, stainless steel construction of the indicator housing, column and platform make the DPS Series perfect for use in food related, shipping, receiving and many other applications. The DPS Series also features a total weightment accumulator and counter, and a full function numeric keypad ideal for key-in tares. It will keep track of the total weight of the product, up to 9999 pounds, and the total number of products weighed.
